### BRYAN'S BIG SPEECH ON GUARANTY OF DEPOSITS

No woman can be happy without children; it is her nature to love them as much so as it is the beautiful and pure. The ordeal through which the expectant mother

pass is so full of dread that the thought fills her with apprehension. There is no necessity for the reproduction of life to be either very painful or dangerous. The use of Mother's Friend prepares the system

The Social Advantage.

"Besides these there is a social advantage in being on good terms with the men who are prominent in the banking world. Surely the big bank's prestige will be worth enough to it under the guaranty system; it should not begrudge the smaller banks the advantage which the guaranty of deposits will bring to them.

"I cannot pass from this subject without referring to the fact that the big bank needs the guaranty as well as the little one, for big banks fall as well as small banks, and the bigger the bank the greater the calamity to
